APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and $d\sigma$

hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to existing rights. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to beneficial use. It is also understood that this right must allow for a reasonable lowering of the static water level. This well shall be equipped with a two (2) inch opening for measuring depth to water. If the well is flowing, a valve must be installed and maintained to prevent waste. A totalizing meter must be installed and maintained in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. The totalizing meter must be installed before any use of water begins or before the Proof of Completion of Work is filed.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The well must be sealed with cement grout, concrete grout or neat cement from ground level to below the first confining layer but not less than a depth of 100 feet.

(CONTINUED ON PAGE 3)

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 3.5 cubic feet per second, but not to exceed 480 acre-feet annually, and not to exceed a yearly duty of 4.0 acre-feet per acre of land irrigated from any and/or all sources.

Work must be prosecuted with reasonable diligence and be completed on or before:

December 4, 2005

Proof of completion of work shall be filed before: <u>January 4, 2006</u>

Water must be placed to beneficial use on or before:

December 4, 2007

Proof of the application of water to beneficial use shall be filled on or before:

January 4, 2008

Map in support of proof of beheficial use shall be filled on or before:

January 4, 2008

State Engineer of Nevada, have hereunto set my hand and the seal of my office, this 4th day of December, A.D. 2002

State Engineer
